

Vettify Visibility Accelerator for Founders

Be Seen. Be Heard. Be Ready.

A 16-week accelerator designed to help founders amplify their story, attract opportunities, and build lasting visibility.

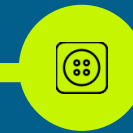

Visibility Is the New Currency for Growth

The Vettify Visibility Accelerator combines storytelling, strategy, and AI-powered visibility tools to help founders build public presence that drives growth.

Key Outcomes:

2+ verified media bookings

Press kit, one-pager, and founder reel

Personalized visibility dashboard and media-readiness score

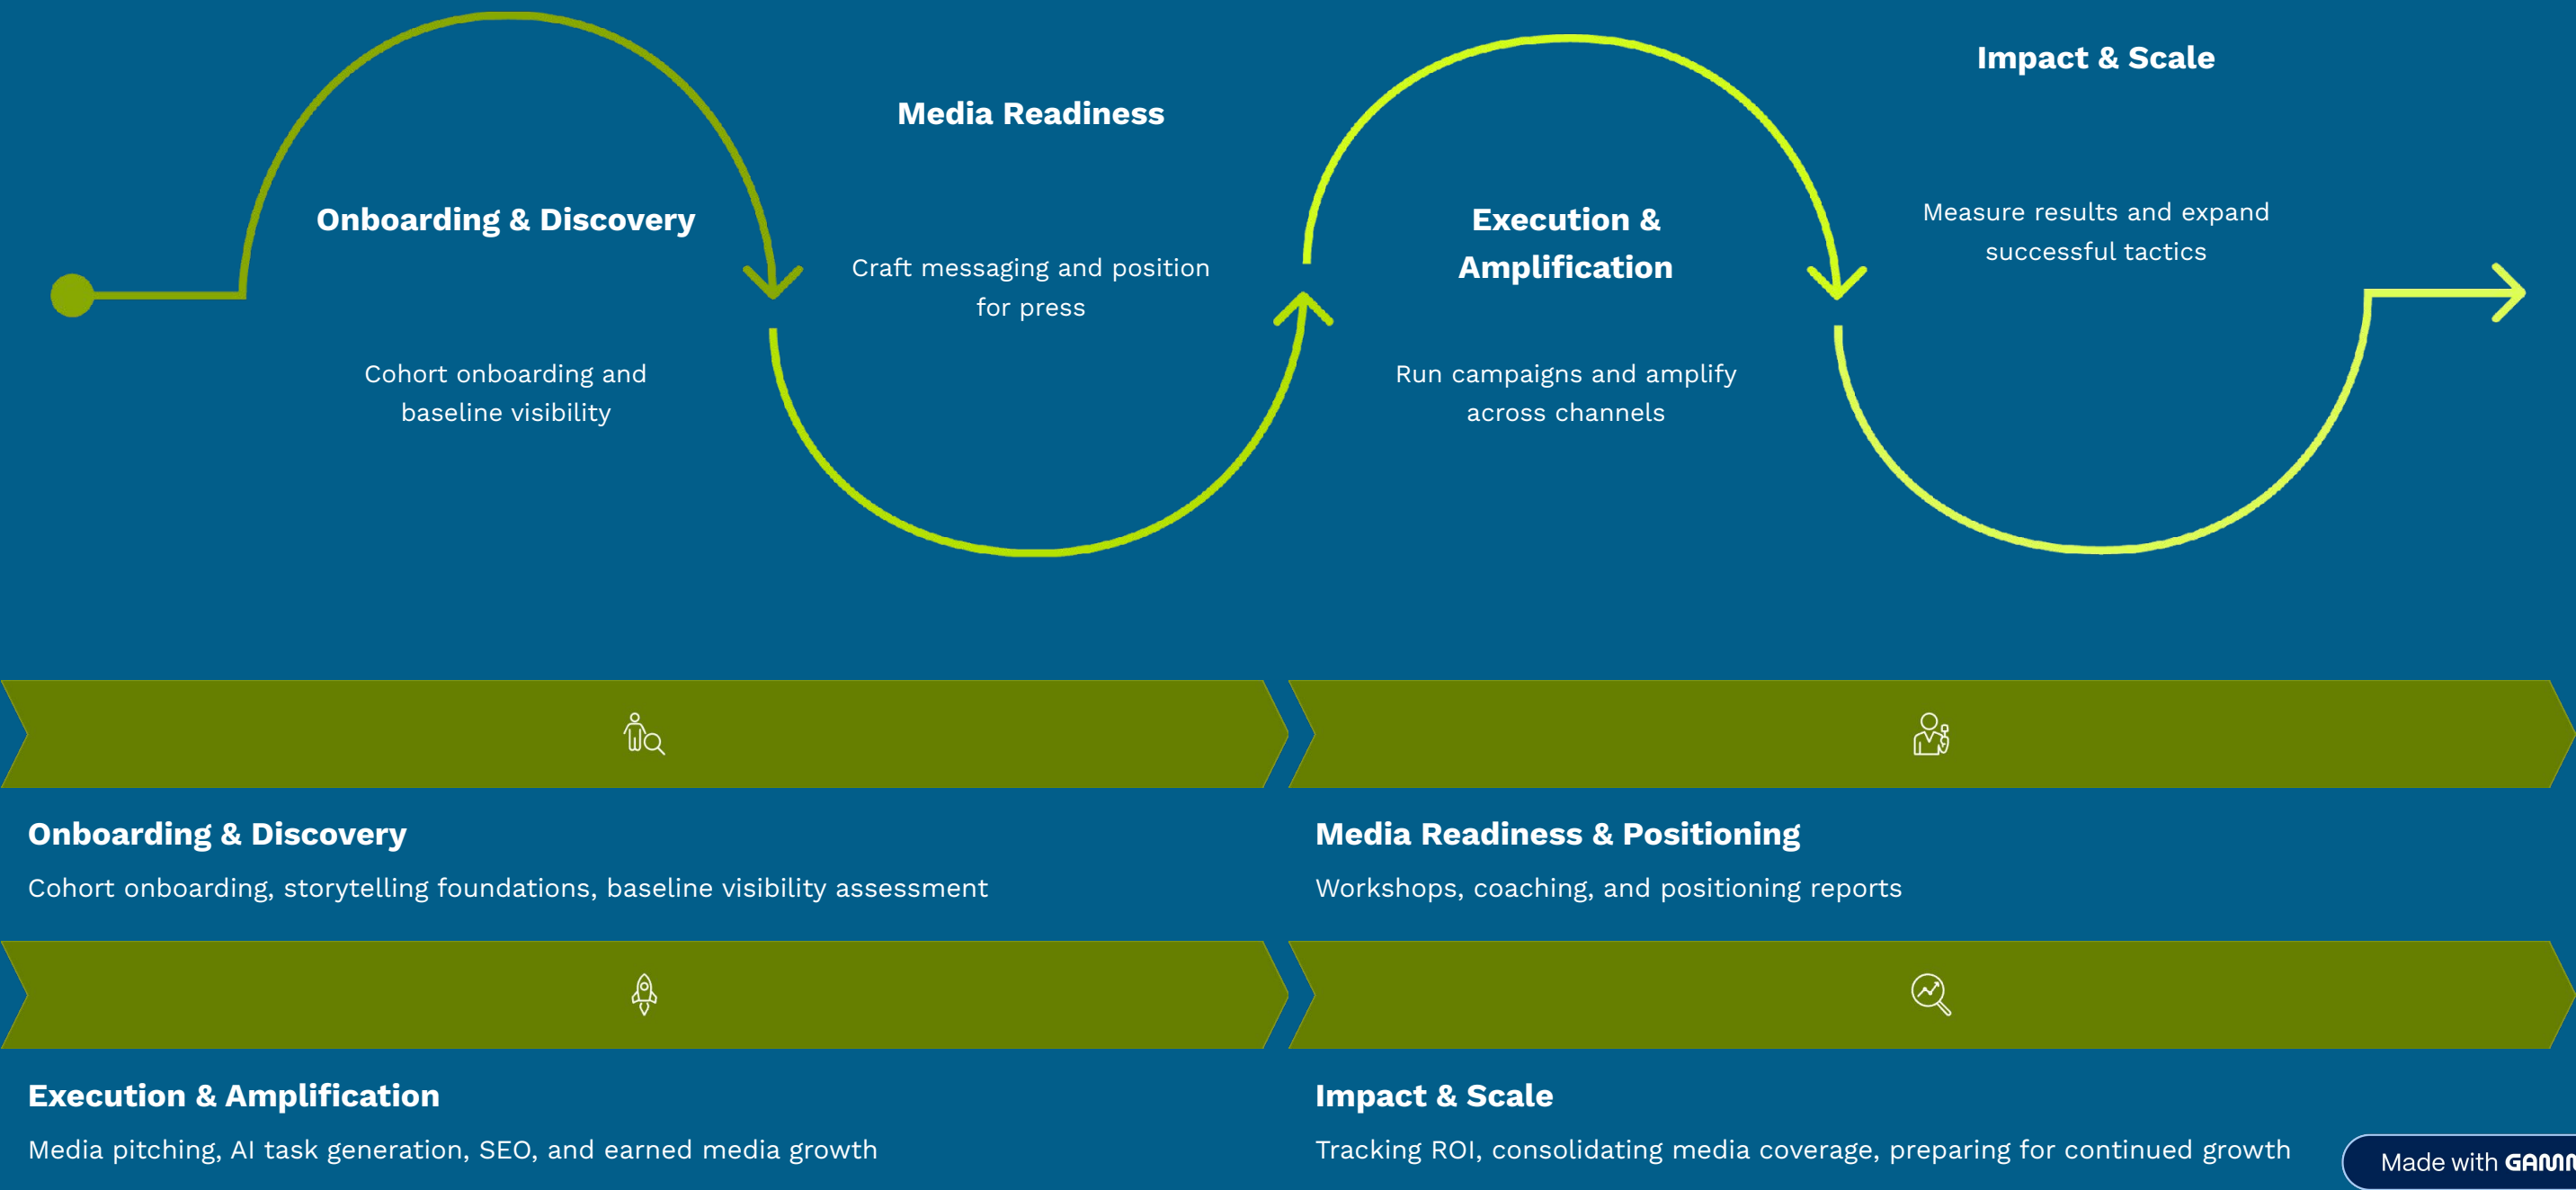

Clear visibility goals aligned with investor readiness

Who It's For:

Founders leading ventures across tech, health, clean energy, social impact, and innovation-driven sectors.

Your 16-Week Learning Journey

The program blends 70% content learning with 30% product learning, giving founders both strategy and tools for measurable visibility.

What You'll Learn

Content Learning Modules

- Personal branding & storytelling
- PR fundamentals & media positioning
- Pitching & interview skills
- SEO & online visibility
- Thought leadership and amplification

Product Learning Modules
